**ORDER**

---

On today's date the Court heard a motion on a temporary restraining order. Having considered the briefs and arguments of counsel, the Court concludes, for the reasons set forth on the record, that Plaintiff has failed to establish a reasonable likelihood of success on merits or that they would suffer irreparable harm should the temporary restraining order be denied.

Accordingly, Plaintiffs' motion for a temporary restraining order is hereby denied.

**SO ORDERED** at Green Bay, Wisconsin this 27th day of May, 2022.
